

DRIVESAFE

Kia ora & Welcome to New Zealand.

Driving in NZ is a great way to experience our country but it can be different from driving in other countries. We have a good but limited motorway system and weather extremes, the terrain and narrow secondary roads & bridges require drivers to be very vigilant.

You can find out what's different about driving in New Zealand at www.drivesafe.org.nz. DriveSafe provides everything you need to know for a safe and enjoyable driving adventure, from road rules and etiquette to links to further resources.
